## **Educators hear about the kind of workforce business leaders need.**

Joy Diaz

Jonathan Betcher and Susan Dawson. KUT News

AUSTIN, TX (2006-07-31) A group of Central Texas business leaders and local School Superintendents met today in Austin to discuss ways to better meet each others needs. Educators want to prepare students for the challenges they'll face in the business world. Business leaders want to ensure graduates joining the work force

meet their standards. KUT's Joy Diaz has more.

To learn more about ways educators and business leaders can help each other meet the market's demands, visit [www.skill-point.org](http://www.skill-point.org)
